

Weeks Commencing 13th and 20th July 2020

DAILY LESSON AT 11AM ON ZOOM. YOU MUST JOIN IN

10am – Complete a FREE Phonics lesson

Literacy

Watch Miss Kirk read “Giraffes Can’t Dance”.

- Make a list of all the wild animals you can think of.
- Next talk to your grown up about the animals on your list. What do they look like?

This is how the author describes the giraffe in our story:

“Gerald was a tall giraffe,
Whose neck was long and slim,
But his knees were awfully bandy,
And his legs were rather thin.”

- Now choose one of your favourite wild animals from your list and write a sentence to describe them.

Challenge: Write about some more of your favourite animals. Can you make a “Wild Animal Fact Book”?

Maths

Write your numbers 1 to 10 on ten pieces of paper. Now find two numbers that together add up to 10.

Write number sentences for all the number bonds to ten that you can find. Use your fingers to help you.

Play the “Save the Whale” number bonds to ten game on ICT games.
