

Foundation Stage “At home” work

WB: 20.04.20

Monday	
Task 1	Watch the ‘Baby Animals in Spring’ video. Talk about what you saw in the video. Can you name the baby animals – ask your grown up to help you. Which one is your favourite?
Task 2	Read the ‘Signs of Spring’ worksheet with your grown up.
Task 3	Go into your garden or take a walk in the park. How many signs of spring can you see? Draw what you saw in your jotter and add any others that weren’t on the worksheet.

Tuesday	
Task 1	Watch the ‘Spring Flowers’ video. Talk to your grown up about what you could see.
Task 2	Get creative and make a flower. You could junk model, paint, draw or collage one. Take a photo and send it to the FS email.
Task 3	Go to the Oxford Owl website and register for free. Choose a book to read with your grown up.

Wednesday	
Task 1	Watch the ‘Chick Hatching’ video. What did you notice? Talk about what happened ‘first’, ‘next’, ‘then’.
Task 2	Look at the ‘Lifecycle of a Chick’ worksheet. In your jotter draw the pictures in the right order and label them.
Task 3	Login to Phonics Play. Play ‘Grab a Giggling Grapheme’ (phase 3).

Thursday	
Task 1	Watch Numberblocks episode 'Eleven'. What did you notice? What number is 1 less than 11? What number is 1 more than 11?
Task 2	Make sets of eleven using different objects eg. buttons, spoons, pasta shells. Draw a part whole diagram in your jotter. How many different ways can you partition the 11 objects? 
Task 3	Go to the Oxford Owl website. Choose a different book to read with your grown up.

Friday	
Task 1	Watch Numberblocks episode 'Twelve'. Talk about what happened in the episode. What numbers went together to make 12?
Task 2	Look at the images on the 'Making 12' worksheet. Cut out 12 pieces of white paper. Colour 2 of them a different colour. How many ways can you make 12? Can you write a number sentence to match?
Task 3	In your jotter, draw a clock and add the numbers 1-12.
