Then you could make a list of the different sea creatures.

Draw a picture of your favourite creature in your jotter.

Maths

What do you do at different times in the day?

Draw pictures of what you do in your jotter.

What do you do at these times:

- 10 o'clock?
- 12 o'clock?
- 5 o'clock?
- 8 o'clock?

Watch the Numberblocks episode 'The Numberblocks Express' – can you remember all of the number bonds to 5?

Watch the Numberblocks episode 'Flatland'. What shape names do you know? Can you talk about how many corners, straight sides and curved sides?

Have a go at playing the 'Shape Patterns' game – can you challenge yourself to try level 2?

Watch the "How to make a fish" clip and have a go at making your own.

Watch the song '1,2,3,4,5 once I caught a fish alive' and sing along. Do you know the one about the shark?
