

Task 2- Read the story to a grown up. Find all the 'oa' words and make a list in your journals. Can you think of anymore "oa" words to add?

Joan the Goat.

One day Joan the goat put on her coat and went out in the rain. She had a yellow boat and she wanted to float on a moat. She went to the moat but it had no water. Joan got mad and trotted past the coast, where she saw Mr Toad who was munching on toast. She moaned and groaned to him. Her throat got croaky with all the rambling. Mr Toad got fed up and yelled, "get into a coach and hit the road."
