Topic

Make a list of what you will need to make a salad. Choose 2 or 3 vegetables from the story that you would use. Make your Salad. Share it for lunch or tea with your family.

Find a potato and see if you can make a Mr or Mrs Potato head. You could use some other vegetables to make the face. If you have some little cocktail sticks use these.

If you have some paint you could do some vegetable/fruit printing. For Example: carrot top, a slice of apple or a slice from a mushroom.

Watch the video and sing along to the Cauliflower song.
