Read and write the word in your home learning book, then cover it up and write it again to see if you can spell it without looking!

You could learn two a day and write a new sentence using the new word.

Reading Activities

Read lots of stories!

If you do not have many books at home, you can find many wonderful stories on YouTube.

Here are a few you can search for on YouTube:

- **Black Hat –** Maia Walczak

- **Goldilocks and the three bears**

- **Lost and found –** Oliver Jeffers

- **The colour monster –** Anna Lenas

- **The day the crayons quit –** Oliver Jeffers

Now try and answer these questions in your book:

- ♦ What happened in the story?
- ♦ Who was your favourite character in the story and why?
- ♦ Where was this story set? Describe it using good noun phrases.
- ♦ How would you change the ending of the story?
- ♦ What do you think might happen next?

Writing Activities

Sentences:

Practise writing at home. Choose a different one each day. Use the ideas below or think of your own!

Ideas for writing sentences:

- Write a letter to us, tell us what you have been doing. Don't forget the school's address.
 - Make a list of all of the things you miss about school. Then write your ideas in sentences and tell us how excited you are about coming back to school!
 - Answer these 'Would you rather' questions, making sure that you tell us **why** you think your answer is correct using 'because'. Remember to make your sentences interesting by using 'because.'
1. **Would you rather be rich and miserable or poor and happy?**
 2. **Would you rather live in a hot country or cold country?**
 3. **Would you rather it rain every day or snow every day?**
 4. **If you could only eat one thing forever what would it be and why?**
 5. **Would you rather be a fish or a bird?**
 6. **Would you rather be a grown up or a child?**
 - Pirate Captain Munch is looking for a new crew member and you want the job. What would make you the right person?
 - Think about what skills pirates need and what skills do you have?

Remember EVERY sentence must have a **capital letter** at the start, a either a **full stop, question mark or exclamation mark** at the end. Try and use all the skills we have learnt this year such as conjunctions (e.g. because, when, if, but, that), adjectives (blue, shiny, delicious) and use your phonics to spell correctly. Don't forget to use your best handwriting too!
